

REMARKS

The above amendments correct the dependency of the claims and eliminate the multiple dependency of claim 8 to place the application in better condition for allowance.

In the event that any fees are due with this paper, please charge counsel's Deposit Account No. 01-2340.

Respectfully submitted,

MARKED UP VERSION OF AMENDMENTS TO CLAIMS AND SPECIFICATION

IN THE CLAIMS:

Please cancel claims 1-5 without prejudice or disclaimer.

Please amend claims 6-8 as follows:

6. (Amended) A radical copolymerizable unsaturated resin composition comprising ~~the a~~ compatibilizing agent ~~of claim 1~~, a radical copolymerizable unsaturated resin, and a polymerizable unsaturated monomer,

wherein the compatibilizing agent is a graft copolymer (A) which contains a styrene monomer as a principal component, and has a principal chain (A1) consisting of a copolymer with a (meth)acrylate monomer and a side chain (A2) selected from a ring-opening polymerized polyether side chain consisting of a polyoxyalkylene ether, a polyester side chain, and a polycarbonate side chain, the side chain (A2) being bonded to the principal chain.

7. (Amended) A radical copolymerizable unsaturated resin composition ~~the compatibilizing agent of claim 1~~, according to claim 6, further comprising an addition polymerized polymer, ~~a radical copolymerizable unsaturated resin, and a polymerizable unsaturated monomer.~~

8. (Amended) A radical copolymerizable unsaturated resin composition according to claim ~~6 or 7~~, wherein the radical copolymerizable unsaturated resin is an unsaturated polyester.
